## KASU STAFF PARTICIPATE IN NUC/NOUN VIRTUAL TRAINING ON DIGITAL SURVEY TOOLS

### VICBHE

**K**aduna State University (KASU) proudly announces the successful participation of twelve (12) of its staff members in the Virtual Institute for Capacity Building in Higher Education (VICBHE) Module 11 training, organised by the National Universities Commission (NUC) in partnership with the National Open University of Nigeria (NOUN).

Research and Evidence-Based Decision Making,” focused on equipping participants with advanced competencies in digital data collection, survey design, analysis, and the application of research findings for institutional planning and decision-making.

The KASU staff members who participated in the virtual training are:

The training, titled “Mastering Digital Survey Tools for

S/N	Participant ID	Name

3	M11-05428	YUSUF Aliyu
4	M11-03265	MUSTAPHA Amina Muhammad
5	M11-04903	SHEHU Rhundak Funom
6	M11-03255	MUSTAPHA Bashariya Baba
7	M11-05396	YAKUBU Musa Itopa
8	M11-04756	RAPHAEL Comfort Comfort Raphael
9	M11-00055	ABDULKAREEM Abubakar I
10	M11-00585	AFUWAI Cyril Gwazah
11	M11-05402	YASHEN Sarah
12	M11-02798	JOSEPH Moses Kpop

*Copied*

Their participation in this high-level capacity-building programme reflects KASU's sustained commitment to strengthening research culture, digital innovation, and evidence-based administrative practices within the university system.

The University Management is sincerely appreciated for providing the enabling environment and opportunity for staff to benefit from this strategic national training initiative. Such support continues to position Kaduna State University as a forward-looking institution committed to excellence, innovation, and global best practices in higher education.

The KASU community is hereby informed of this notable achievement and encouraged to continue embracing professional development opportunities that enhance institutional growth and service delivery. Kaduna State University remains dedicated to building capacity, fostering innovation, and contributing meaningfully to national development through quality research and informed decision-making.
