KASU MANAGEMENT COMMENDS STUDENT WINNER OF KADUNA BRT NAMING COMPETITION

The management of Kaduna State University (KASU) has congratulated one of its students, Khalipha Abdulkadir Haruna, for emerging winner of the naming competition for the Kaduna Bus Rapid Transit project with the entry “Kaduna Connect.”

The student formally presented the commemorative plaque awarded to him by the Kaduna State Transport Regulatory Authority (KADSTRA) to the university management during a brief visit to the Vice Chancellor’s office.

While receiving the plaque on behalf of the institution, the Vice Chancellor, Professor Abdullahi Ibrahim Musa, commended the student for bringing honour and recognition to the university through creativity and intellectual contribution to a major public project in Kaduna State.

Dean Student Affairs Professor M.K Dauda earlier represented the Vice Chancellor at the presentation ceremony of the plaque to the winner at KADSTRA Headquarters.
