Radiography students of Kaduna State University (KASU) have presented their Award of Academic Excellence to the Vice Chancellor, Professor, Abdullahi Ibrahim Musa, following their victory at a quiz competition organized by the Association of Radiographers of Nigeria, Kaduna State chapter, where they outperformed counterparts from Ahmadu Bello University. Commending the students, Professor Musa described the achievement as a reflection of KASU's rising profile in health sciences education. He urged them to maintain the momentum through discipline and continuous learning. In recognition of their feat, the Vice Chancellor announced a cash donation of four hundred thousand naira, encouraging other students to emulate their success.
