KACHIA DELEGATION VISITS KASU, COMMENDS GOVERNMENT FOR ESTABLISHING STUDY CENTRE

By: Hamza Musa Makarfi

A delegation from Kachia Local Government Area has paid a courtesy visit to the Vice-Chancellor of Kaduna State University (KASU), Professor Abdullahi Ibrahim Musa, to express appreciation to the Kaduna State Government and the university for establishing a Study Centre in Kachia Town.

The establishment of the centre is part of the commitment of the administration of Governor Uba Sani to expand access to higher education and promote human capital development across Kaduna State.

Proposed Study Centre

The delegation, led by the District Head of Kachia, Alhaji Sabiu Ismail Suleiman, conveyed the gratitude of the people of the area and pledged their support towards the success of the initiative.

Speaking during the visit, the Chairman of the Kachia Education Development Association, Alhaji Shehu Usman Salihu, commended the state government and the university for bringing tertiary education closer to the people. He expressed confidence that the centre would significantly improve educational opportunities and contribute to the socio-economic development of Kachia and neighbouring communities.

Responding, the Vice-Chancellor, Professor Abdullahi Ibrahim Musa, reaffirmed the university's commitment to maintaining cordial relations with host communities and stakeholders in its efforts to advance education in the state. He noted that KASU remains dedicated to extending its services beyond its campuses in order to make a meaningful impact on society.

Professor Musa assured the delegation that skills acquisition and entrepreneurship development would receive special attention in the programmes to be offered at the study centre.

According to him, the initiative will enable students to obtain diplomas and other qualifications while acquiring practical skills that can enhance their productivity and self-reliance within their communities.

The Vice-Chancellor thanked the delegation for the visit and expressed optimism that the partnership between the university and the Kachia community would contribute significantly to the educational advancement of the area and Kaduna State as a whole.

VC Engages Career Centre, Counsellors on Best Practices as Medical Laboratory Students Commend KASU Management

CAREER CENTRE AND KASU COUNSELLORS WITH THE VC

The Vice-Chancellor of Kaduna State University (KASU), Professor Abdullahi Ibrahim Musa, has reiterated the institution's commitment to producing graduates equipped with the knowledge, skills and competencies required to excel in an increasingly

expressed appreciation to the university management for creating an enabling environment for teaching and learning, particularly following the successful accreditation of their programmes.

Responding, Professor Musa assured the students that the
