

KADUNA STATE UNIVERSITY CONSTITUTES TASK FORCE TEAMS FOR 2026 NUC ACCREDITATION EXERCISE

By: Hamza Musa Makarfi

Kaduna State University (KASU) has constituted six Task Force Teams to coordinate preparations for the 2026 accreditation exercise of the National Universities Commission (NUC).

The constitution of the teams, according to the Director of Academic Planning Professor Awwal Abdulsalam said is aimed at ensuring adequate preparation and a successful outcome for academic programmes scheduled for accreditation during the October/November 2026 exercise.

The task forces will coordinate and oversee accreditation processes for the affected programmes on behalf of the University Management.

The teams comprise senior academics and administrators drawn from various faculties and departments of the university.

The Director of Academic Planning noted that the early constitution of the teams would enable members to commence preparatory activities well ahead of the accreditation exercise, thereby strengthening the university's readiness and enhancing the prospects of favourable accreditation outcomes.

Inaugurating the task forces, the Deputy Vice Chancellor Strategy Innovation and Service Delivery Professor Helen Afang Andow said accreditation preparation is one of the most important mandates of any university.

She said the institution will remain committed to academic excellence, quality assurance, and continuous improvement in teaching, learning, research, and service delivery.

Professor Andow promised that management will provide the necessary support to facilitate the work of the task forces as preparations gather momentum toward the 2026 NUC accreditation exercise.

	Programmes	Chair	Member	Secretary
