About

Accounting and Finance, Procurement, Logistics and Supply Chain Management are my areas of professionalism with speciality in Financial Reporting, Financial Analysis and Financing Operations Management, Contract Negotiation, Strategic Sourcing, Supplier Management, Logistics Management. My expertise lies in streamlining processes, reducing costs, ensuring compliance with industry standards, accountability and performance evaluation.

With a strong background in teaching and research in academic with strong skills in administration and project supervision, I have successfully managed Faculty of management sciences, Directorate of procurement, logistics and supply chain management, Department of procurement and supply chain management and Postgraduate programmes among others.

My experience spans emerging markets, particularly in Nigeria, through different institutions of higher learning and consultancies in different organisations, where I have successfully eliminated challenges that hinders sustainable growth and operational excellence.

I hold MSc in Global Logistics & Supply Chain Operations from the Herriot University in Hamburg, Germany, a PhD in Accounting and Finance from Universiti Utara Malaysia, a Msc Accounting and Finance, a Postgraduate Diploma in Education and Bsc Accounting from Nigeria. These areas of study equipped with the in dept knowledge and insight to teach and provide services in the areas of accounting and finances, financial analysis, procurement, and logistics.
